PUBLIC AFFAIRS | POLITICAL COMMUNICATIONS | PUBLIC SERVICE

Political Science graduate with professional experience spanning communications, community engagement, workforce training, operations support, research, and organizational management. Founder of a public affairs website and creator of The Pamphleteer, a political education podcast in development focused on American government, political history, public policy, and democratic institutions.

CORE STRENGTHS

Public Affairs • Political Communication • Policy Research & Analysis • Community Engagement • Stakeholder Relations • Written Communication • Public Speaking • Digital Communications • Civic Education • Strategic Messaging • Training & Development • Project Coordination

PUBLIC AFFAIRS & COMMUNICATIONS EXPERIENCE

Founder | Public Affairs Website & Blog (2025–Present)

- Created and maintain a professional public affairs platform focused on civic engagement, democratic institutions, political communication, and public policy.
- Publish original written content examining government, elections, public affairs, and current policy issues.
- Showcase communications projects, research interests, and public service initiatives through a professional online portfolio.

Creator | The Pamphleteer (Political Education Podcast) (2025–Present)

- Researching, writing, and producing a political education podcast focused on American government, political history, elections, public policy, and democratic institutions.
- Developing episode scripts, branding, production workflows, and audience engagement strategies.
- Conducting independent policy and historical research to support educational programming.

PROFESSIONAL EXPERIENCE

Amazon.com — Warehouse Associate | Tote Team Lead | Amazon Ambassador (2015–2021)

- Served as Tote Team Lead, assisting with workflow coordination and operational problem-solving.
- Trained and onboarded new associates as an Amazon Ambassador.
- Authored training documentation and process guidance materials.
- Collaborated on process improvements in a high-volume logistics environment.

Girard Decorators — Office Manager (2008–2015)

- Managed business operations, scheduling, invoicing, and administrative functions.
- Managed social media and public-facing communications.
- Participated in community outreach and local business networking initiatives.

Offset Paperback Manufacturers — Plantwide Associate (2022–2023)

- Supported book production, quality control, and manufacturing operations.
- Collaborated across departments to maintain efficiency and production standards.

RESEARCH EXPERIENCE

More than 20 years of independent historical and genealogical research involving public records, archival sources, source verification, evidence evaluation, and information synthesis.
